Re: *United States v. Andrews et al.*, Crim. No. 20-578

Dear Judge Vazquez:

The Government respectfully submits this letter to request a one-month extension for the submission of the Government's responses to the defendants' pretrial motions. Currently the Government's responses are due on February 15, 2022. If granted, the extension would make the Government's responses due on March 15, 2022. Oral argument on those motions—currently scheduled for March 14, 2022—would also need to be rescheduled.

All defense counsel consent to the Government's extension request. If this request is acceptable to the Court, the Government asks that it so-order this letter. The Government is available to discuss these issues with the Court at its convenience if necessary.

Respectfully submitted,

PHILIP R. SELLINGER
United States Attorney
